Important: this is a fictional tender with no personal data. It is for testing only.

## 1. Key parameters

### 1. Submission deadline

Proposals must be received by 29 September 2026 at 12:00 UTC. Late submissions will not be considered.

### 2. Maximum contract value

A financial offer must not exceed EUR 740,000 excluding VAT. Any excess makes the offer non-compliant.

## 2. Performance and payment

### 3. Delivery period

The contractor shall complete the entire scope within 105 calendar days from the notice to proceed.

### 4. Payment terms

The customer pays within 20 business days after final acceptance, based on the signed acceptance certificate.

### 5. Warranty period

The warranty period is 36 months. It starts when the final acceptance certificate is signed.

### 3. Security and liability

#### 6. Bid security

Each bidder shall lodge bid security of 2%; an unsecured bid is inadmissible.

#### 7. Performance security

Security for proper contract performance equals 8%.

#### 8. Delay penalty

A delay penalty of 0.05% of the undelivered equipment value applies. Total delay penalties are capped at 10% of contract value.
